

ADDENDUM NO. 2
TO THE PLANS, SPECIFICATIONS AND CONTRACT DOCUMENTS
Entitled

DEWITT COUNTY
Clinton Lake Marina Breakwater

AD2-1 NOTICE

1.01 This Addendum No. 2 dated June 6, 2022, to the plans, specifications and contract documents for the above-captioned project supersedes all contrary and conflicting information in the documents which are hereby supplemented or revised as follows.

AD2-2 REVISED BID SCHEDULE AND ALTERNATE DESIGN OPTION

2.01 The attached bid schedule replaces the original bid schedule issued.

2.02 The Owner will allow for consideration of wave attenuator designs other than precast. Specifications for a precast type wave attenuator have been included in the Project Manual. Submission of designs other than precast, along with specifications and all necessary information lending to a complete review, shall be submitted to Chastain & Associates LLC (jmarler@chastainengineers.com) no later than 5:00 p.m. on June 10th, 2022, for review. If approval is granted by Owner and given by written communication from Owner or Chastain & Associates LLC, contractor shall be allowed to submit their bid per details in Addendum 1 issued May 26, 2022.

2.03 Replace Paragraph 1 of the Summary section under PART 1 – GENERAL with the following:

1. The work shall consist of furnishing all supervision, tools, labor, materials and equipment necessary to design, fabricate, deliver and install a floating wave attenuator system including anchors, anchorage system, bumpers, cleats, fasteners, and other hardware for the complete installation as shown on the drawings and specified herein.

2.04 Alternate designs must meet the PART 1 – GENERAL and PART 3 – EXECUTION sections as given in Section SP-6 of the Project Manual, except as modified in Section 2.03 above.

2.05 Alternate designs must meet the design load specifications, anchoring specifications, and lighting specifications as given in Section SP-6 of the Project Manual.

2.06 Outside of references to a precast design, all other conditions of the Project Manual remain in effect.

AD2-3 CONTRACTOR/SUPPLIER QUESTIONS

3.01 Submitted questions and our responses are attached.

AD2-4 ADDENDUM NO. 2

4.01 This Addendum No. 2 consists of Articles AD2-1 through AD2-4, with all attachments.

CONTRACTOR/SUPPLIER QUESTIONS:

1. On page 23. GC-3 - What is the guarantee period ? Is it one year as stated in the contract warranty ?

Minimum of 1 year.

2. On page 24 GC-7 - Is it acceptable for inventory at our location be counted as on site since we have cure time before we haul units to site location ?

Yes.

3. On page GC-8 - we don't know if needed (costs) or how to obtain any permit on your lake. We will get all wide load permits needed for shipping.

No additional permits will be needed to unload and assemble product onsite.

4. On page 25 GC-12 - are you exempt for out of state manufacturers/contractors?

Yes.

5. On SC-1 prevailing wages what classification do we fit into and this only applies to onsite only labor correct ?

Applicable for onsite labor only.

6. On SP-2 the term breakwater is considered rocks that go from surface to bottom....our wave attenuator is a floating structure.

We are requesting a floating structure.

7. On SP-5 Can the project date be extended to Dec 31,2022I understand the ice comes in at end of year.

This can be negotiated.

8. SP-6 Submittals - D - Registered Professional Engineer with a M.O. stamp acceptable?

Yes.

9. Design Criteria information and calculations- the details are usually general as well as our mix. Will this be acceptable?

Yes.

10. Normally we are allowed acceptable substitutions for our product....

Product substitutions will be allowed upon submittal and Owner's approval.
